# Commercial law

Your company should be legally protected from the very day it is *registered*, and also during its entire corporate existence.

So just enjoy running your business, while we take care of things as:

- Company set-up
- Virtual office at lawyer's headquarters
- Corporate changes, sale and purchase of company shares
- Corporate mergers and acquisitions
- Legal due diligence for corporate acquisition
- Commercial negotiations
- Debt recovery
- Commercial litigation
- Formal notifications
- Company de-registration
- Legal compliance issues

Are you looking to buy a piece of *land*, a *building* or an *apartment* in Romania using a strong, valid contract and make sure the property has no prior ownership issues? Or you wish to sell *property*, but you do not have the legal background and necessary resources to carry out such a project by yourself?

We can assist you with:

- Pre-purchase due diligence
- Assistance with public authorities
- Assistance on sale or purchase of real estate
- Assistance in finding a suitable cadastral worker or architect for your real estate project
- Contract drafting
- Real estate registrations

*Real estate law* \_\_\_\_\_

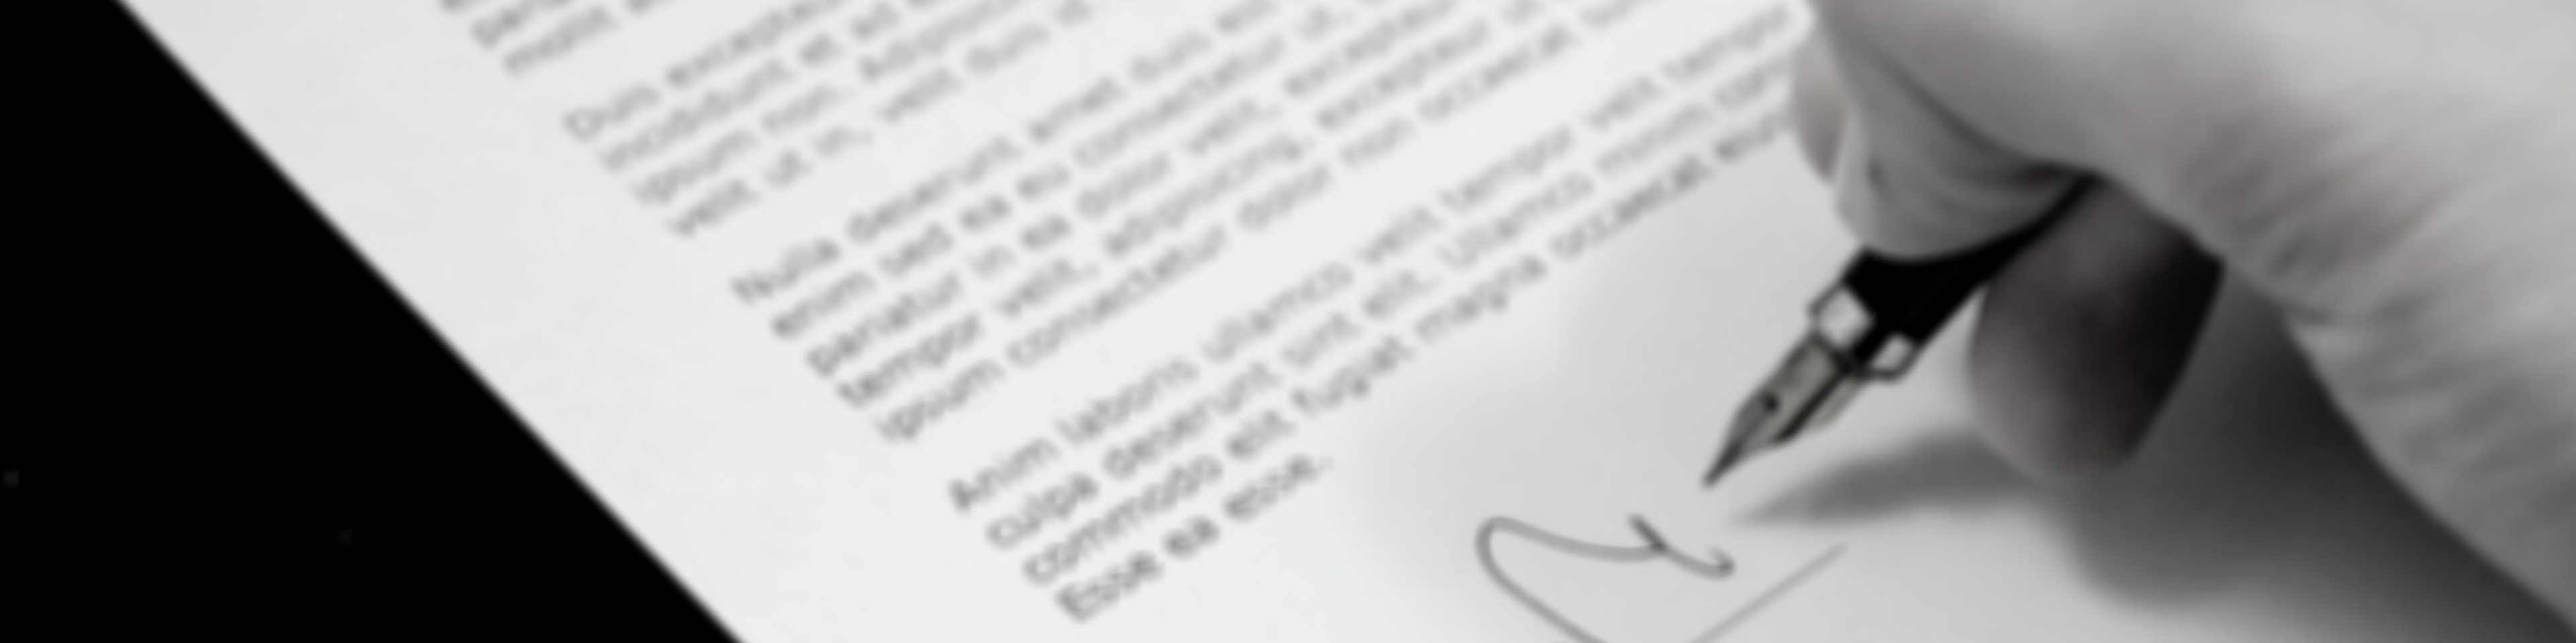

If you want *justice* to be done and maximize your chances to *win* a case, you should have the very best professionals by your side. Such lawyers should have strong knowledge of the law, good skills in interpreting the legislation and a down-to-earth approach of your case.

If you will be involved in a trial or you are already in the process of litigation, we can assist you with:

## Litigation

- Pre-litigation phase: negotiation, mediation
- Civil law litigation
- Commercial litigation
- Tax litigation
- Assistance with public authorities
- Second opinion on a litigation file
- Appeal of court decision

As a famous Latin proverb says, "*verba volant scripta manent*". This means that spoken words can easily be forgotten, but written words are permanent and binding.

We can help you with drafting or reviewing any of the following:

## Contract law

- Sale-purchase agreement
- Rental contract
- Acquisition of intellectual property
- Articles of Association
- Transfer of shares
- Commission contract
- Services agreement

Moving to Romania with your family or even your business can prove to be quite a challenge. An attorney specialized in immigration law can help you *save a lot of time and financial resources* during this entire procedure.

You will receive professional legal advice, therefore avoiding extra audiences at public authorities in order to process your immigration file.

We can help you with any of the following:

- Temporary residency permits
- Long term residency permits
- Renewal and extension of residency permit
- Legal advice on citizenship status
- General legal assistance on immigration law

*Immigration law*

General data protection regulation (GDPR) is complex, and the practice in this field is constantly changing. Therefore, it might be difficult to identify all your obligations pursuant to GDPR and all the procedures you need to implement in your company.

If you are not sure that your business is fully GDPR compliant, we can assist you with any of the following:

- Privacy policy, cookie policy
- Website terms and conditions
- Internal company policy
- Special contractual clauses
- Review of existing GDPR policies and clauses, second opinion
- Video surveillance procedures
- General GDPR compliance for employees, clients
